McClory plans Antioch visit

Congressman Robert McClory, of the 13th District, will speak in Antioch on Friday, November 9. He will address a combined meeting of the Rotary Club and the Antioch Chamber of Commerce and Industry. The luncheon meeting will begin at noon, at Lorenz' Smart Country House.

Ken Mazucca, who is in charge of planning for the event, said that McClory's speech will concern itself with environmental projects. "The Congressman will be talking about sewer projects and the funding

available for them, things of that sort," Mazucca said.

After the luncheon, McClory will visit the site of the Sequoit Apartments on south Main Street. He was instrumental in obtaining approval from the Department of Housing and Urban Renewal (HUD) for the project.

Mazucca stated that there are still some tickets available for the luncheon. Interested persons should contact him at 395-1392, or Jay Dziki at 395-1010.

Assessments equalized

In the very near future all taxpayers in Antioch Township will receive a notice of valuation change regarding their Real Estate assessment for 1973 assessment year, taxes payable in 1974.

The notice will reflect an attempt to equalize the assessment of the eighteen townships in Lake County prior to the publication in the local newspaper.

The reason this equalization is being done, between townships is to offset the State

equalization factor which occurs at a later date, depriving the taxpayer the opportunity to complain on the equalized value.

A correct assessment would be that assessment which is approximately one-half of market value.

An assessment level of 50 percent of market value (required by law) is difficult, if not impossible to achieve, because of the run-away real estate market.

Nixon and Watergate: How does Antioch feel?

The so-called Watergate scandal has divided the united States for almost a year now. Charges are raised, denials made, hearings held, new charges raised, denials repeated. The longer the investigation continues, the muddier the waters seem.

Recent events in connection with the firing of Special Watergate Prosecutor Archibald Cox and Deputy Attorney General William Ruckelshaus, the resignation of Attorney General Elliott Richardson, and the question of the "Watergate tapes" has brought the strongest cries yet for the impeachment of President Richard Nixon.

To many observers, this is Richard Nixon's greatest crisis of confidence. Through past crises Nixon has remained publicly unperturbed, almost aloof from the crisis, and has seemed to retain the confidence of a sufficient number of the public to weather the storm.

When public calls for impeachment come from an increasing number of members of Congress from both parties, however, the question of confidence in the President takes on new proportions.

Only once in the history of our nation have impeachment proceedings been successfully in-

itiated against a President, when the Senate failed by one vote from impeaching Andrew Johnson in 1868.

In the light of the momentous and historic events occurring in our nation, THE ANTIOCH NEWS feels a responsibility. As the "independent paper dedicated to the thoughts and feelings of the people of Antioch," we offer ourselves as a sounding board for you, our readers, to be heard on this issue.

How does Antioch feel about this national crisis? Does Antioch still place its confidence in Richard Nixon, as 2/3 majority did just one year ago? We want to know and we think our public officials ought to know.

We encourage you to make your feelings known. Complete the informal Antioch News Survey on this page and return it. If you have further comments or feel the need to explain your replies, feel free to attach them to the survey (or send them separately if you wish).

If the response is large enough to warrant, results of this survey will be forwarded to Rep. Robert McClory and Senators Charles Percy and Adlai Stevenson.

LIONS ACTIVE FOR ANTIOCH BENEFIT

See photo on page 1

In the past two weeks, members of the Antioch Lions Club have completed two projects which benefit residents of Antioch and the surrounding area.

From noon, October 12, till noon, October 13, about 84 men took turns selling candy on the streets of Antioch. Cost of the candy was paid by the State Bank of Antioch.

Don Walsh, chairman of the event, said that about \$2,800 was raised, which will be used to aid various projects for the blind. This sum, according to Walsh, is about \$200 higher than the previous year.

Earl Stringer, chairman of the Save Our Sight (S.O.S.) program, conducted Sunday, October 21, at Antioch High School, reported that 735 people were screened. This is slightly smaller than the number tested last year, which Stringer attributed to the balmy

weather. "Apparently people had other things they wanted to get done on such a nice day," Stringer said.

"Still," he added, "we have a sense of satisfaction with the work we are able to do."

Equipment for the vision testing was provided by the Vision Conservation Institute and manned by members of the Lions Club. A profession was on hand to advise when questions arose. After the screening, people were told whether a more professional referral would be helpful.

Dr. Al Bucar said that exact statistics on the number of referrals made for further testing were not available. However, from national averages, he surmised that approximately 40 percent of those screened Sunday were referred for more professional care.

"It is very significant," Bucar said, "that many new people came out Sunday, so this reflects a good number of new

referrals, people who may not have had their vision tested in a number of years."

DON'T VISIT YOUR CHILD'S SCHOOL THIS WEEK

During American Education Week parents are frequently advised to visit their child's school to see if it is doing the job.

We suggest that this may not be the best thing to do.

Before you visit your child's school, may we ask one question: Do you know what you're looking for?

If the students are arranged in rows, quietly listening to the teacher's lesson, would you say the school is doing its job?

If students are up and about the room, talking with one another, the teacher in one corner working with a few students, would you be dismayed?

If you haven't been in a school for a few years, a visit made without some advance thought and preparation may be a shocking experience.

So our first suggestion is that you think about what you should be looking for in your child's school. Quietness, order, and attention centered on the teacher may not be the most important things. The atmosphere of the school, the attitude of the students toward learning: these are more significant in evaluating the school's effectiveness.

When you do visit your child's school -- and we strongly urge every parent to do so once in a while -- look around to see if it is a happy place, a place where children enjoy learning. A pleasant, free atmosphere does more to encourage real education than "the hickory stick."

Arrange your visit so that you will have time to talk with some of your child's teachers also. Ask the teachers not only about your own child's progress, but about facilities and materials available, about teaching methods, and about how instruction is geared toward each individual student. Are slow learners and fast learners able to progress at their own suitable pace?

After your visit, think about what you've observed. Talk about it with your child. Then ask yourself a few questions:

Do you attend PTA meetings or get involved in school activities?

Did you vote in the last school board election and, if so, did you get to know the candidates' views on education?

Do you know your child's teachers? Have you ever talked with them other than at regular conferences?

Do you talk with your child about school?

Don't visit your child's school this week. Instead, take a continuing interest in the school and EXAMINE it when you know what you should be looking for.

By the way, when you do visit the Antioch area schools, we think you'll be happy with what you find.

McClory on Job Rights Guidelines

As a part of its oversight function, the House-Judiciary Subcommittee on Civil Rights (upon which this Member serves) is giving close study to employment practices in the Federal Government which are alleged to discriminate against blacks and women in supervisory and executive positions.

Following a decision of the Supreme Court—which held discriminatory a general intelligence examination offered by the Duke Power Company—a study was initiated by the Equal Opportunity Coordinating Council in which several federal Departments cooperated.

Recently the Equal Opportunity Coordinating Council proposed guidelines which would affect both public and private employment. These guidelines now have been offered for comment.

These proposed changes are certain to create widespread discussion as well as bitter arguments between civil rights groups on the one hand and employer organizations on the other. Primarily, the proposed guidelines would invalidate any employment test given where the test results show a failure at a higher rate among a minority group than is experienced by the population as a whole. For example, where blacks or women show a poorer test result, the test would be invalidated unless its validity were established independently—and convincingly. In other words, those offering the test would be presumed guilty—

unless proven to be innocent.

In order to overcome such a charge of invalidity, an employer would be required to establish that predictions of inferior job performance would be established by the test content. In addition, an employer might be required to show that a proposed test indicated a lack of creativity or initiative where such elements are essential to the job.

Even more frightening to prospective employer is the restriction against securing biographical backgrounds of prospective employees, including records of convictions of criminal offenses and juvenile records unless, for instance, a prospective employee were expected to handle money or accounts, in which case a history of embezzlement might be a qualifying factor.

The proposed guidelines would impose almost insurmountable problems to colleges and universities seeking to hire professors to teach political science, government, history, or most social studies. In such cases, applicants for faculty positions would be required to experience all kinds of reviews and analyses in order to establish that their employment would have no adverse impact on women or minorities.

There is a broad area of public opinion which regards the proposed guidelines as basically inconsistent with our American system. Testing guidelines which are designed to enforce proportional hiring would seem to require minimal quotas of all minority groups. In turn, this would require employers to establish that the proportion of their employees bears no relation to the tests given—or more precisely—to disprove that employment tests are discriminatory as to any group identifiable by race, color, ethnic background—or sex.

The new proposed guidelines are currently receiving the comments of the Civil Service Commission and other departments of government. The next few months are expected to produce heated controversy with the final outcome—uncertain.

Through our Illinois Department of Agriculture, we can do everything we can to get more farmers to raise more livestock. The more livestock we have, the better off we are going to be so far as prices are concerned. Another thing we are doing is trying to get you some direct tax relief out of the General Assembly so you'll have a little more money to spend on meat.

Q. The people in this country take for granted that we have to have a 5 to 9 percent cost of living increase yearly. It seems to me that someone could outline a program whereby we could come to live on a normal pattern and end this spiraling, high inflation.

A. In my view, this country, this nation, cannot endure with the kind of life we have with an inflationary rate of between 5 and 9 percent increase every year. And if it keeps up, we're going to have more unemployment in the long run in this nation. We're going to have a harder time getting the things that we want and to which we're accustomed. We're going to have a tougher time competing in the

Dear Editor,

As the parent of two members of the Antioch High School band, it was a big disappointment not to see the band perform at the Homecoming game. Since I usually work on Saturday I was looking forward to seeing and hearing them at this particular game since they had been talking about the show all week.

The band and color guard had spent many hours practicing for the half time show just as the football team spends hours practicing for a game.

For too long this school, as most schools, has put athletics ahead of Fine Arts. Where will the culture of this country be if this trend continues? When cuts were made last year the Fine Arts Department was the first affected. There was giant outcry when the athletic program was threatened but no such protests were heard over Fine Arts cuts.

Since the feeder schools no longer have band programs we may not have a band much longer. Let us enjoy it while it is here. My sympathy to our new young band director who worked hard to organize this show. I hope he doesn't get too discouraged and lose his enthusiasm.

Sincerely,
Georgia Ellis

Dear Editor,

On Saturday afternoon I planned it so that I would be by the football field in order to see the Homecoming show put on by the band. I was unable to make it to town to see the parade.

Arriving just as the band played the National Anthem, I was puzzled why the band disbursed in confusion. I couldn't believe my eyes! Having had, and do at the present time have, a child in the band, we have great pride in the Fine Arts program. It is something worthwhile that the young people can take with them all their lives. Whether going into music for a profession, or just being a good listener or "weekend performer" - it gives them something.

For as long as I can remember, the athletic department has taken precedence over everything. It caters to only a few "talented" boys in each sport. The Fine Arts program gives everyone a chance whether it be band, choir, drama or art.

The crowning blow is that sports events, PTA, practically everything that goes on at that school must have the band participate. THEN for some dumb reason - Mr. Lear - on the very special day of Homecoming, you choose not to let the band perform. . . .

Come around the next time you want cooperation or help in a referendum passed by the people of the town of Antioch. GO JUMP!!

market with other nations. We've got to start tightening the belt, and that's what I've been trying to do in my own little way right here in Illinois by cutting back on the state budget. That helps control inflation.

Ask the Governor

Gov. Dan Walker invites you to question him about state government and what state government should be doing for people. All questioners will be answered by letter by Gov. Walker and some of the questions and answers will appear, probably condensed, in this column. Letters must be signed and an address provided. Send to: ASK THE GOVERNOR, Illinois Information Service, 105 State Office Building, Springfield, Illinois 62706.

Q. What do you think about the meat prices going up?

A. I don't like to see meat prices going up. I do want to emphasize, however, that farmers are not getting the benefit of those soaring meat prices. There is one way to control what happens to meat prices.

ARBOR RESORT HIT BY FIRE

Fire struck the Arbor Resort on Bluff Lake Road Friday afternoon, October 19. Antioch Fire Chief Tod Mapletorpe said that damage was estimated at about \$5,000.

The fire began when grease in an exhaust fan in the kitchen ignited, according to Mapletorpe. Flames then spread

through the walls of the building. Mapletorpe said that the fire spread rapidly because there are no stops between floors within the walls, creating a "chimney effect."

Firemen were at the scene for about an hour-and-a-half. There were no injuries reported.

L.A.W. BEGINS ADULT EDUCATION PROGRAM

The L.A.W. organization (Land, Air, and Water) is starting a program for adults in the Antioch area so they can learn how to fight pollution.

The first program will be held Thursday, October 25 at the Antioch Upper Grade School, 7:30 to 9:00 in the Audio Visual Room.

Jamie Vasek an executive in the L.A.W. organization is in charge of the program. A film on different facts of pollution will be presented and Jamie will hold a discussion.

Programs will be held every third Thursday of the month starting at the November program.

Refreshments will be served at the conclusion of the meeting.

Any questions call Jamie Vasek at 395-3727 for information.

WAUCONDA MAN CHARGED IN CHECK THEFT

Claude A. Guerra, 1107 Monroe St., Wauconda, has been charged by Antioch Police in connection with an attempt to cash a stolen check at the State Bank of Antioch on October 9.

The incident came to light when Antioch postal officials called the police on October 15 to report the theft of mail from boxes in Oakwood Knolls. Among the items stolen was the check, which had shown up later at the bank.

A teller at the bank told police that Guerra approached the drive-up window and presented the check, which appeared to have been altered. After seeking identification, the teller left the window for assistance, and Guerra drove away.

After the incident was reported to police on the 15th, Sgt. Tim Zelinski spotted a car matching the description given by the bank teller. The driver of the car, Guerra, was brought to the police station and questioned.

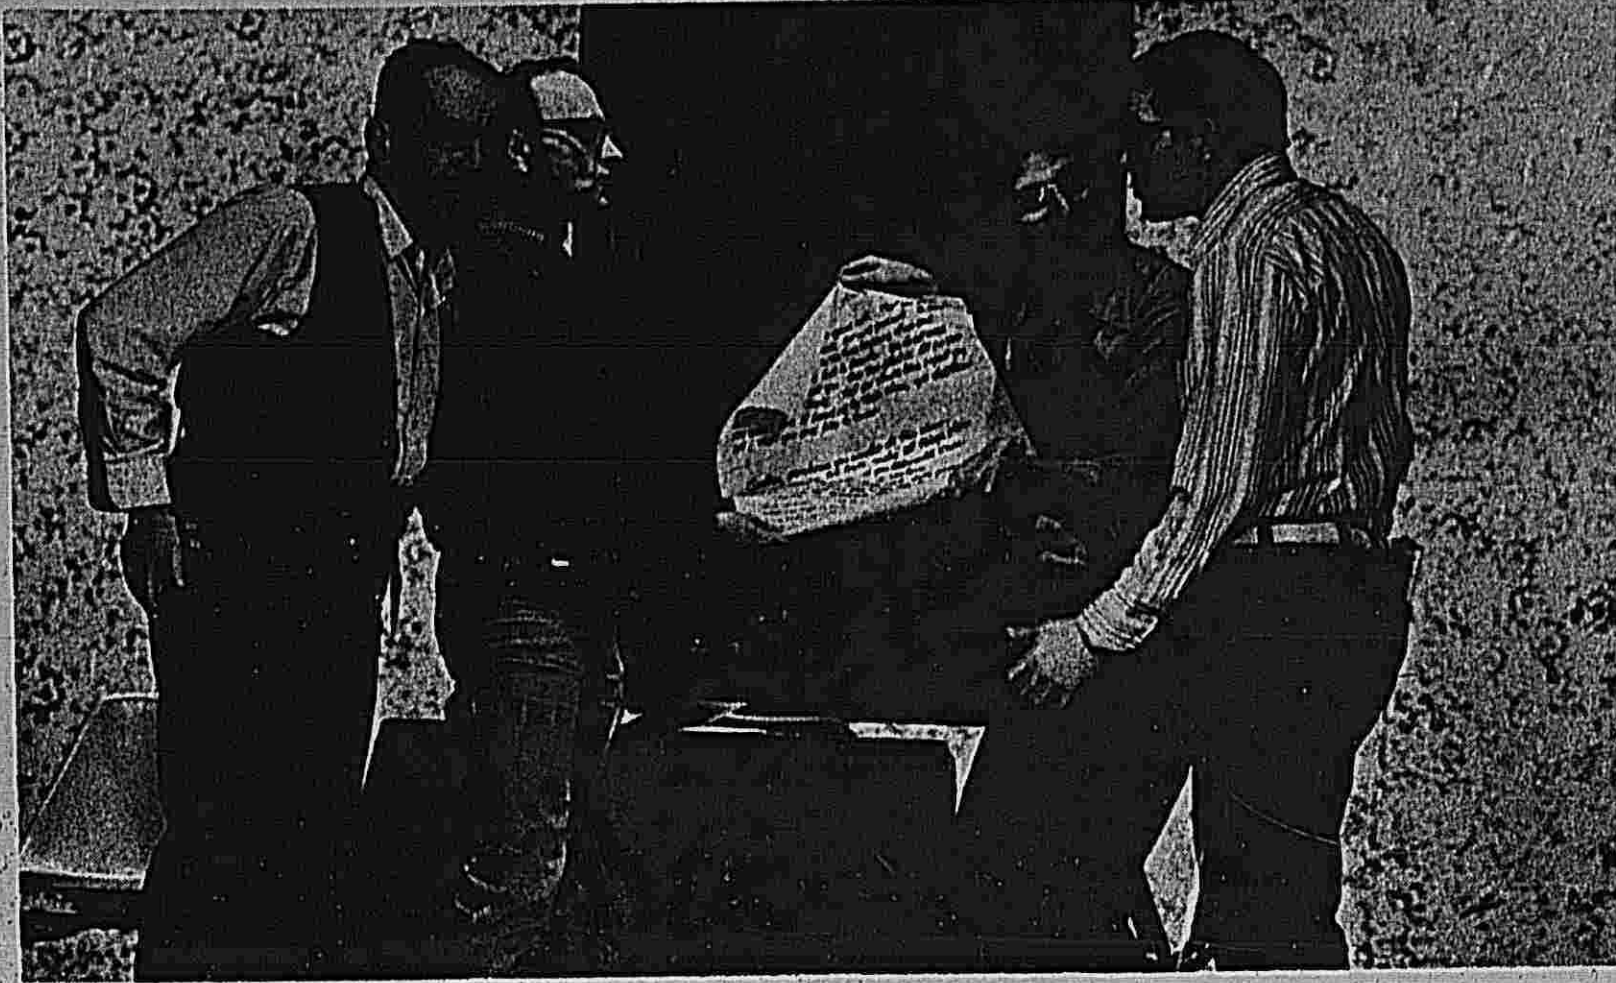

Guerra claimed that he had found the check on the floor of a local food store and immediately went to the bank to return it. When he saw the teller leave the window he thought there would be a scene, he said, so he left.

Police charged Guerra with theft of lost or misplaced property and took him to the Lake County jail, with bond set at \$1,000. He is to appear in court on November 26.

Postal officials report that there has been a rash of vandalism of mail boxes in the Antioch area. "Police and postal inspectors do investigate each and every reported case," according to Jane DeVore, of the Antioch Post Office.

"All postal patrons with curbside or roadside mailboxes should follow a pattern of putting outgoing mail in the box shortly before the carrier is expected," Ms. DeVore advised.

"Most of the cases (of mail theft) reported have involved mail put in the boxes the previous day or on holidays and being there overnight," she added.

The Four Uglies plot against Cinderella

The Four Uglies, directors of the mythical General Products Corporation, ponder a way to rid themselves of a thorn in their sides, in this scene from PM & L's production of "Solid Gold Cadillac." From left are: George Blanksten, Don Beveroth, Tom Hausman, and Bill Sershon. Intended victim of their plot is Mrs. Laura Partridge, played by Shirley Jensen. The Cinderella-type fairy story will be presented Friday and Saturday, Oct. 26-27 and Nov. 2-3, at the PM & L Theatre. Curtain time is 8:30. Phone 395-9702 for reservations.

REMEMBER WHEN? We don't, but we know that all it takes sometimes is a little reminder to jerk a memory and bring back recollections of those days gone by. Each week we print an old photo submitted by an Antioch resident. Some we will be able to identify. For others, we leave it to you to search your own mental scrapbook. Call us if you can identify a photo. Better yet, if you have a memorable photo to share, bring it in to the office.

Boys and girls ages 6 to 11 from the Channel Lake school district participated in a physical fitness olympics program on Monday morning, October 8.

The olympic program was run by Richard Whitton as his service project for his Boy Scout Eagle award.

Forty five students followed the theme of "physical fitness leads to the Olympics" and were judged in performing skills in running the 40 yard and 100 yard dash, sit-ups, broad jump, soft ball throw and an accuracy test.

Gold, silver and bronze ribbons were awarded the winners in the tradition of the World Olympics.

In the six-seven year old group, the winners were (boys) David Bergdorf, Troy Fenner and Chip Gwens--(girls) Jackie Bjork, Sue Lemke and Valerie Bergdorf. 8 and 9 year olds were (boys) Brad Larson, Kevin Aronson and Mike Koss--(girls) Eileen Irmen, Lauri Hucker and Debby Miles with a tie for third place between Debbie and Jill Harland. The 10 and 11 year old winners were, Curt Larson, Bob Rudolph and Ken McGuire and girls Gail Koss, Lorna Whitton and Kathy Bailey.

Everyone that participated, not winning a ribbon received a certificate of merit for their efforts.

Special thanks to Dutch and Helen Zeien for the use of their property and to helpers, Pat and Darren Houghton, Ron and Bob Gossman, Jim Gutowski and Cindy Irmen. Adult supervision was provided by Richard's mother, Mrs. Carol Whitton and his cousin Denise Whitton.

Skip Whitton recently returned from a very successful hunting trip to Battineau, North Dakota.

Among our travelers was Rich Behren's who was in Las Vegas recently on business. While there he was able to attend some of the shows and receive a new hair style and has nothing but good things to say about the place.

Belated birthday wishes to Barb Bailey and anniversary wishes to Milburn and Sis Rodgers.

Lee and Marg McKinney celebrated their 25th wedding

anniversary on Saturday with an open house. Many friends and relatives were on hand to wish them the best of everything. Lee and his wife the former Margaret Runyard, are life long residents and have 8 children. Mark, who is married to the former Helen Mae Zeien, Bruce, Sue, Luanne, Betsy, Judy, Paty and Barbara.

Bob and Lorraine Lemke and Len and Corine Case spent Sunday at Soldier's Field attending the Bear game.

Nobody is saying much about the football game but had nothing but praise for the dinner that followed at Archdale's in Waukegan.

Please support our 3rd, 4th and 5th graders who are knocking on doors selling candy as the fund raising project for the Channel Lake P.T.A. The children are really working hard and enjoying it as well.

Wasn't the Homecoming parade great this year. The floats were good and the marching band sent shivers down my spine not to mention the beautiful weather and the excitement of the kids. It was hard not to get carried away with the kids enthusiasm.

I hear people speaking of driving to the north land to see the color change, but I find our own area is absolutely beautiful right now and more people should just drive around here and see for themselves.

HISTORICAL SOCIETY TO ELECT OFFICERS

The regular monthly meeting of the Antioch Area Historical Society will be held Thursday, October 25, at 7:30 p.m., in the multi-purpose room of the Antioch Township Library.

At the last meeting, in September, a nominating committee was formed to prepare a slate of candidates for office. It is expected that officers will be voted upon at next week's meeting.

Another committee is work-

Hyland Laboratories held it's Open House on Sunday, October 7, 1973 from 1:00 p.m. through 5:00 p.m.

Visitors included Hyland employees and their families, employees of Baxter Labs of Round Lake, and visiting dignitaries of Travenol Laboratories Inc.

The main feature was guided tours throughout the plant, starting at the entrance and leading to the main office where a Video tape was shown of many plant operations.

The purpose of the Open House was to give the employees' families an idea of what Hyland Labs produces, and to show the families how Hyland products are made.

Hyland, Division of Travenol Laboratories, Inc., is known nationally and internationally as a leader in the development and production of reagents, controls, and screening tests for clinical laboratories, laboratory instruments and therapeutic plasma fractions. The Hyland plant is located at highway 120 & Wilson road, Round Lake.

HIGH SCHOOL BOARD MEETING

The regular monthly meeting of the Board of Education of Antioch Community High School, District 117, Lake County, Antioch, Illinois 60002, will be held on Thursday, October 25, 1973, at 7:30 p.m., in the General Office.

Along the Way with *Annie Mae*

Boy, there sure is a lot of things going on in town these next few days. First on the time schedule is the Wrestling Match to be held at the High School this evening. Should be an interesting evening for all you wrestling fans. On Sunday evening, the High School Student Council is sponsoring their monthly movie. The theme is October Oldies - featuring such stars as Charlie Chaplin, Ben Turpin, and W.C. Fields in eight short features. Then there's the Antioch Mental Health Association luncheon at the Lambs Farm on the 29th. The Little League is having their Awards Night with Milt Pappas as the guest speaker on the 30th for all the team members and their

dads. Also, ladies remember the United Methodist Church Wesley Evening Circle is presenting their Annual Feast and Fashion on November 1. Fashions will be by Place One, of Palatine. Be sure to mark your calendar.

Saw several of last year's high school grads this weekend at the football game. Bet that was the first time they ever seen a homecoming football game without the school song even being played.

There's a young man around town with a special glow. Seems he and his young lady have become engaged and are making those special plans. Congratulations Lori and Phil.

Birthday wishes this week go to Sherri Abear on the 24th, to

Chris Pionke on the 25th, and to Bernie Gutowski, Sr., Andy Proctor and Diane Wagner on the 26th. Many happy's also to Carol Boston and Bernice Lupa on the 27th and to James Gutowski and Peggy Van Patten on the 30th. What kind of goodies are you entering in the Pillsbury Contest this year Peg?

A special anniversary wish to Beulah and Wally Anderson who celebrate on the 27th of this month. Anniversary congrats to Earl and Bernice Pape and Mr. and Mrs. Andrew Euzzino who both celebrate on the 28th.

If you haven't seen the new PM & L play "Solid Gold Cadillac" yet, be sure to make your reservations for this weekend or next. The play runs thru November 3rd.

Ed and Sharon Haley wish to thank all those who shared their grand opening of "The Fiddlers Green" with them. Bill Dean on the organ brought down the house with his playing of The Battle Hymn of the Republic.

The Freshmen Class were treated to a bucket of that yummy Kentucky Fried Chicken while working on their float. It sure was good and devoured very quickly.

Many of us don't think about The United Way until we need it. Giving help assures us, that it will be there when we need it.

American Legion Auxiliary

by Del Jahneke

The 10th District American Legions' Past Commanders' Club of Lake County will be holding their Fall dance on Saturday night, October 27th, at the Brae Loch Country Club near Grayslake (Rte 45 one mile north of Rte 120). Cocktail hour is from 6:00 to 7:00 p.m., with dinner served then. Roast turkey with all the trimmings will be the menu. Professor Wright with Esther and Dancer will entertain the rest of the evening with magic, music and dance. The cost is \$6.00 a plate, tax and tip included.

Past presidents of the 10th District Auxiliary and their husbands are cordially invited to attend. A gala evening is planned for all! Ed Jahneke, Antioch, is general chairman. This next week, October 21-27th, is AMERICAN Education Week throughout the United States. "GET INVOLVED" is the 1973 theme of American Education Week and it is sponsored by the National American Legion, National Education Association, United States Office of Education and the National Congress of Parents and Teachers.

American Education Week was instituted in 1921 as a joint action of the American Legion and the National Education

Association. In recent years, over fifty national groups with a membership in excess of twenty-five million have joined as "Supporting Organizations" in the observance of AMERICAN EDUCATION WEEK. The program's original intention was to enlist the public's help to eliminate the high proportion of illiteracy and poor physical fitness prevalent during World War I. American Legion Auxiliary members are urged to work closely with their local P.T.A. and their schools in promoting the best educational guidance for all students. Emphasis should be directed towards helping our schools gain and maintain the kind of public support needed to accomplish the job the Nation expects of its education system.

"GET INVOLVED - VISIT YOUR SCHOOLS" is stressed more than ever this year. Last year, it was estimated over 32,000,000 persons visited their schools. "Let's increase that number this year."

Gov. Dan Walker is joined by members of the Illinois Cooperative Coordinating Committee as he signs a proclamation designating October as cooperative month in Illinois. In front, from left, are Thomas Moore, Association of Illinois Electric Cooperatives; Walker; and Alfred F. Kemnitz, FS Services, Inc. In back, from left, are Dale E. Butz, Illinois Agricultural Association; Mike Phillips, Illinois Milk Producers Assn.; Richard Connell, Farmland Industries, Inc.; Prof. Bruce L. Brooks, University of Illinois; Gail Garner, Charleston Production Credit Association; Arthur L. Beck, St. Louis Bank for Cooperatives.

IT'S FUN FAIR TIME AGAIN AT OAKLAND SCHOOL

On Sunday, October 28th, the Oakland Grade School PTA will hold their annual Fun Fair in the school gym from 1 to 5 p.m.

The White Elephant booth plus all the goodies for sale is sure to delight the young and old alike. Come and do some Christmas shopping early, kids.

Moms and teachers will man the booths in each room where there will be a game to interest everybody.

Don't forget, Sunday, October 28 from 1 to 5 p.m.

PM&L AUDITIONING FOR NEW PLAY

Auditions for the musical comedy melodrama, Lady Audley's Secret, will be held at the PM & L Theatre, 877 Main Street, Antioch at 7:30 p.m. on

Sunday evening, October 28. This will be the second show of PM & L's Season 13. Ken Smouse, director, announces that he will need 4

featured men and 3 featured women plus chorus for his cast. Show dates will be February 9, 15, 16, 22 and 23.

AUTO STOLEN FROM HIGH SCHOOL

An automobile was reported stolen from the parking lot at Antioch Community High School, Wednesday, October 17.

Lawrence E. Yopp, Rte. 1, Antioch, came to the police station to report that his car was missing. Yopp told police that he had parked the car in the lot east of the school building, near the Soo Line tracks, at about 8:00 that morning.

When he returned after school, Yopp said, the auto was missing. After searching the area to see if it had been somehow moved, he went to the police. The car had been locked, according to its owner.

The car is a 1961 Chevrolet, Bel-Air, 4-door sedan. It is beige in color and bore Illinois license plates FR 4081. Police have the theft under investigation.

A STAFFING IS BEING HELD ON YOUR CHILD

The second meeting for this year of the Lake County Association for Children with Learning Disabilities is being held Thursday, October 25, at 7:30 p.m. Two staffings will be simulated at Butterfield School, 1441 Lake St., Butterfield Rd. Libertyville. One is an initial staffing, showing the kinds of information needed to begin remediation of a child's problems and a second staffing illustrates the kinds of growth to expect as parents, professionals and child learn to communicate with each other.

Anyone who is interested in this aspect of your child's education is invited to attend. You don't have to be a member to come.

GOLDEN WEDDING ANNIVERSARY FOR EDWIN W. OLSEN'S

Mr. and Mrs. Edwin W. Olsen of Silver Lake Park, Antioch, celebrated their 50th wedding anniversary on October 13, 1973. Mrs. Olsen was also celebrating her birthday.

The Olsens celebrated their many years of wedded bliss with their daughter Jacqueline and her husband, Mr. Melvin Kinsch by having dinner at the Barn in Barrington.

THELENS CELEBRATE 25th WEDDING ANNIVERSARY

Vern and Bunny Thelen celebrated their Silver wedding anniversary on Saturday, October 20th at the Johnsbury Community Center. They were married 25 years ago at St. John's church in Johnsbury. Father Killdoff of St. Peter's Church, Spring Grove, repeated the vows witnessed by over 300 family and friends.

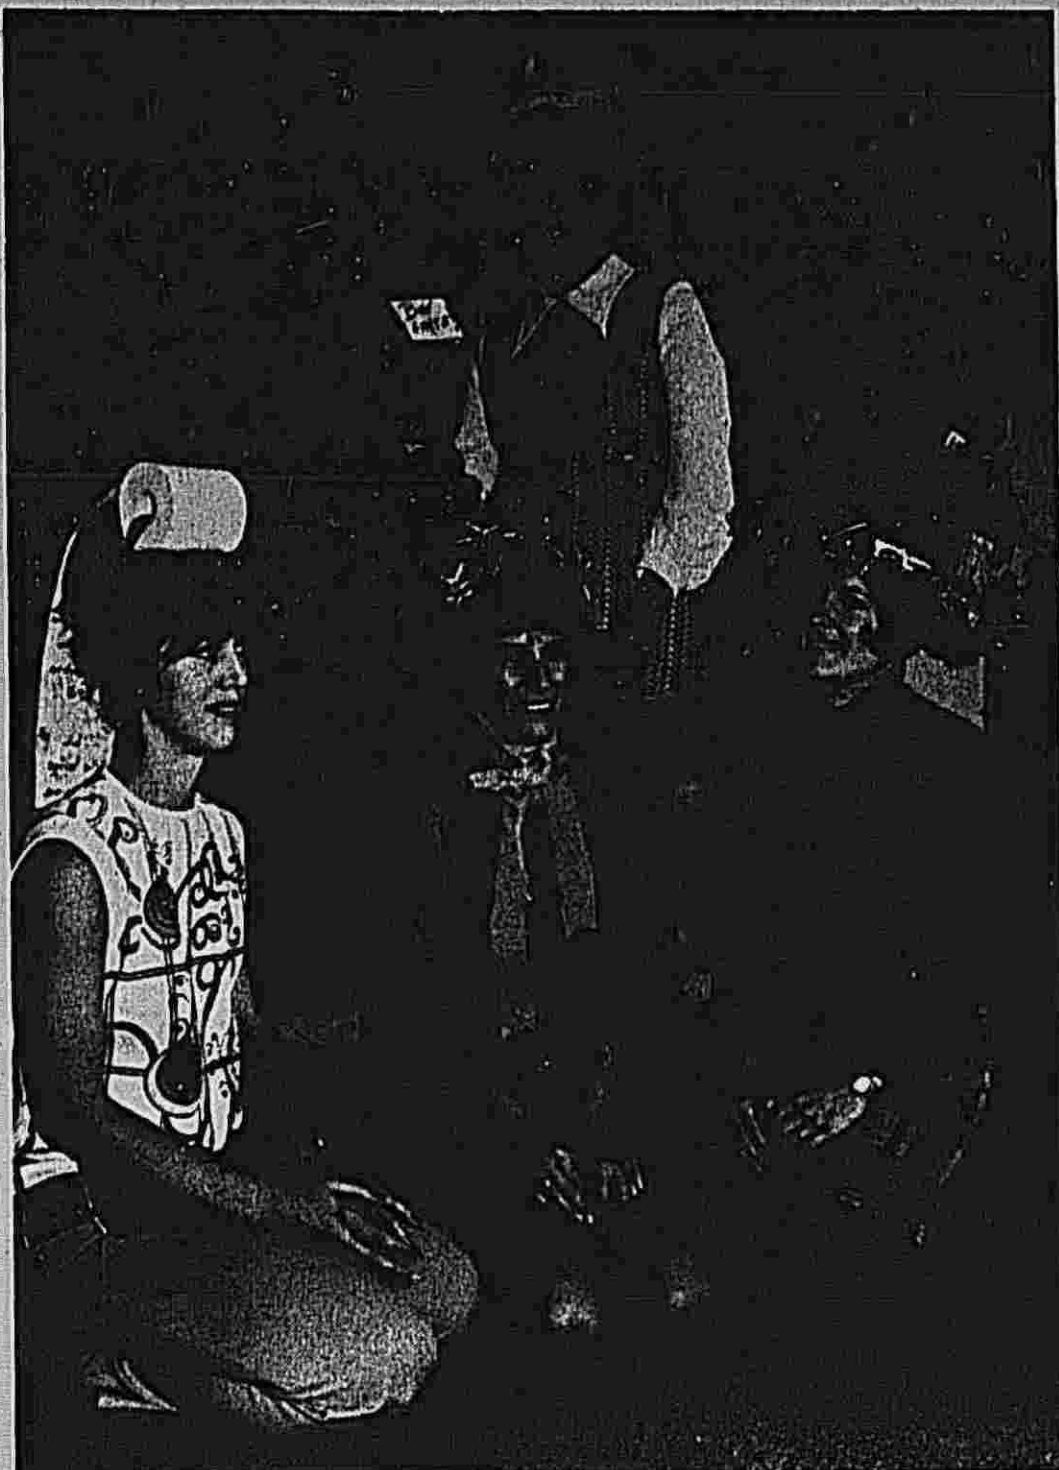

A lovely buffet dinner was served followed by a short skit depicting the original wedding. Master of Ceremonies for the occasion was playwright and director Ray Weber and his very professional cast of players which were close friends and relatives of Bunny and Vern. The grand finale was the entrance of their nine children in leis and Hawaiian costumes to get their folks in the mood for the trip to Hawaii they presented to them.

"SEASONS COME AND SEASONS GO!"

There's an old saying that "Seasons come and Seasons go!" The autumn season has come to the Village of Antioch and along with it, the thirteenth season of live stage productions by The Palette, Masque and Lyre Community theatre.

The theatre season opened

last Saturday with the staging of the comedy farce "Solid Gold Cadillac."

Show dates remaining, are this Friday and Saturday evenings, October 26 and 27, and the following Friday and Saturday, November 2 and 3. All performances are at 8:30 p.m.

Season tickets will still be available at the Box office until closing night. The Theatre Season has come to Antioch, don't let The Theatre Season go, without seeing "Solid Gold Cadillac." Reservations taken by calling 395-9702.

wedding anniversary.

The Open House will be held on October 27 from 3-8 at the American Legion Hall on Ida Avenue in Antioch. All friends and relatives are welcome.

ANTIOCH WOMAN'S CLUB NOTES

Mrs. George Hahn, presided over the meeting of the Antioch Woman's Club Monday October 15th in the First National Bank Community Room. The assembly, in good voice, sang "America", a cappella, led by Mrs. L.V. Madden.

Three new names, Mrs. Earl Lowe, Sherry Longardner and Mrs. Dwayne Fouk were added to the club roster.

Mrs. Hahn and Mrs. Raymond Toft attended the Lake County Federation of Woman's Clubs as a committee on Oct. 1st and reported that the consensus of opinion is not for redistricting the county out of the northern sector of Cook County. Mrs. Hahn announced there will be a class for budding parliamentarians at Grayslake. A phone call to her will obtain the details.

The AWC designated Oct. 16th as birthday party day for 22 oldsters at Winchester House, Libertyville, all of whom received a gift from the club.

Mrs. Hahn requested mem-

bers who do not yet have their 1973-74 program books to pick them up at their early convenience. She also told the gathering that "Be Our Guest" the AWC Cook Book is still available at Jackie's Little Gallery and State Bank of Antioch.

Mrs. John Hojem introduced "Ileene" who entertained with a hilarious show on "Fashion, Figure 'n Fun" using Angie Maras, Caroline Costoff, Ronnie Stromberg, Gerri Olson, Vera Horton and Mariann Pechousek as her models. She gave hints on the latest fashions and one "boots and beige hose are out" brought groans from the girls.

Peter Dring, director of the Willow Spring Nature Center in the Cook County Forest Preserve, will present a program of colored slides and a lecture on "Songbirds of Northeastern Illinois" at the Monday, Nov. 5th meeting in the First National Bank Community Room.

Kearns-Wix Engagement Told

Dr. and Mrs. George E. Kearns are happy to announce the engagement of their daughter Maura to Mr. Randolph C. Wix, son of Mr. and Mrs. Murray Wix of Antioch.

The young couple became engaged on May 3, Maura's birthday. After having dinner in downtown Chicago, Picasso witnessed their engagement.

The bride-to-be is a 1972 graduate of Carmel High in Mundelein and has completed one year of studies at the National College of Education. She is presently attending the College of Lake County and will return to NCL in April to major in primary education with a

concentration in art.

Randy is a 1971 graduate of Antioch Community High School and has completed 1½ years of studies at the College of Lake County. He is presently employed as a machinist and going to school in the evening.

A December 15th wedding is planned in St. Peter's Church in Antioch.

WITCHES AND WARLOCKS WHOO IT UP

Spooks, goblins, crones, witches, one or two familiars and warlocks will congregate at Evelyn LaFata's domicile on Grass Lake Road October 27 at 9:00 p.m. The occasion is the Antioch Welcome Wagon Newcomers Club Halloween party complete with costumes.

It will be a bit of nostalgia with old-fashioned games, such as bobbing for apples, pin the tail on the donkey (but not this time—it's the cat's turn) and a host of other fun activities. Members and their husbands, beaus or male companions are invited—since, after all what is a witch without her warlock?

Some of the Newcomers have had a head start on their costumes, such as those who participated at the silly hat luncheon on October 18. The winner was Mary Ellen Rizzon whose creation was a haunted house hat. So Saturday night promises loads of spooky fun. Be sure to come and bring your own witches brew.

For further information and transportation assistance call 395-6044.

SEQUOIT SUZIES MEET

The Sequoit Suzie's met October 4th at 7:30 p.m. at the First National Bank of Antioch to reorganize their 4-H Club for 1974. The members and mothers discussed plans for the coming year. Election of officers took place with the results as follows: Ricky Janka, President; Lynnette Hamlin, Vice President; Cathy Aschbacher, Secretary; Patty Gross, Treasurer; Karen Klean, Reporter; Rosline Scheske, Programs Chairman; Kathy Walsh, Community Involvement; Laura Miller, Recreation Chairman; Becky Janka, Sergeant at Arms.

Mrs. Aschbacher announced our tour to the Waukegan News Sun Building on October 8th. Mrs. Walsh told the girls bowling will start October 18th. All girls in Child Development were reminded to attend a Clinic on October 25th at 7:30 p.m. at the 4-H Extension Building. On October 27th the annual County Awards Night will be held, time is 7:30 p.m. place 4-H Extension Building.

Next meeting will be held November 1st at 7:30 p.m. at the First National Bank of Antioch.

Lake County Homemakers Extension Asso. Hold Annual Show

Would you like some new ideas for the Christmas season ahead? The women of the Lake County Homemakers Extension Association have the answer for you. They are holding the annual Homemaking Arts and Crafts Show Wednesday, November 7 from 10:00 a.m. to 8:00 p.m. at the Lake County Fairgrounds, Route 45, at Grayslake, Illinois.

Twenty-one units will be exhibiting and demonstrating various arts and crafts in their individual booths carrying out the theme "Christmas Creations."

Demonstrations will feature

among others, gifts children can make, hanging Christmas ornaments, wreaths and wall decorations, dress accessories, Christmas Corral, and Christmas ecology containers. We must not forget the candy and candle holder booths, both so much a part of Christmas.

A program, "Any Ole Leg is Beautiful" by Mrs. Johnny Ekebrecht will be held at 2 p.m. and again at 7:00 p.m.

Lunch will be available and subscriptions to various craft magazines will be given as door prizes. Instruction booklet of all articles demonstrated is included with ticket purchase.

(Week of October 26-November 1)

ARIES (March 21-April 20): Prudence is the watchword for financial or business matters. Be conservative with budget now and you'll avoid problems later. Parents or in-laws may object to some personal plans, but you can gain understanding by talking things over candidly. Best day: Wednesday.

TAURUS (April 21-May 20): Some travel indicated later in week. Generally, a favorable period for those born under your sign. Spouse, associates can be helpful in achieving your long-range plans. Take them into your confidence. Best days: Saturday, Sunday.

GEMINI (May 21-June 21): Take a break from routine this weekend. Go shopping or for an evening out. Social invitations may come your way throughout the week, and with the right frame of mind, you can enjoy being with people. Best days: Monday, Thursday.

CANCER (June 22-July 21): Moderation in all things might be best during this period. The demands on your time and energy have been piling up, so take it easier. A positive approach can impress friends and associates in matters relating to work or school. Best days: Tuesday, Wednesday.

LEO (July 22-Aug. 22): Avoid getting involved in the affairs of others. You could wind up a loser! Creative cycle is high and social activities can introduce you to a new circle of friends, especially around Halloween. Best days: Monday, Wednesday.

VIRGO (Aug. 23-Sept. 22): A mixed cycle ahead. Routine tasks may be bothersome, but you can boost spirits through some project to improve your home or living quarters. Not an auspicious time for seeking new romantic interests. Best days: Sunday, Thursday.

LIBRA (Sept. 23-Oct. 22): Moon in your sign first part of period stresses harmony, cooperation. Be considerate of family and friends. An interest in art or other creative projects may be the key to an enjoyable experience. Best day: Monday.

SCORPIO (Oct. 23-Nov. 22): A favorable time for shopping, cleaning up on unfinished projects at home. If you must travel during this period, take special care driving. Contact with someone from a distance indicated and it could be a boost to morale! Best days: Saturday, Sunday.

SAGITTARIUS (Nov. 23-Dec. 21): Financial matters may occupy your attention. Pay attention to the details, whether it's your own budget or a business matter. A cheerful attitude wins friends, so don't allow anything petty to interrupt a generally happy time. Best days: Monday, Wednesday.

CAPRICORN (Dec. 22-Jan. 20): Although you may be feeling restless and ambitious, now is not a time for major changes in personal life or career. You can gain recognition by participating in civic or community affairs. Enjoy social affairs, but don't overdo it. Best days: Sunday, Thursday.

AQUARIUS (Jan. 21-Feb. 18): An exhilarating mood makes you an enjoyable companion. Shopping, entertainment and social activities involving hobbies all favored now. A good time to purchase a gift for a friend or loved one. No storm signals in sight! Best days: Friday, Saturday.

PISCES (Feb. 19-March 20): New situations, changes in personal life or career possible. Others are impressed by your talents and charm. Friends and associates may surprise you with helpful hints that can advance your interests. Best days: Tuesday, Wednesday.

IN THE SAVINGS & LOAN PLAZA

Bits from Barb

By: Barb Olson

After weeks of preparation for Homecoming, it was over so quickly. Spirit week was really a success. The freshmen did a terrific job showing school spirit, but the seniors still managed to top them and win first place.

The bonfire lasted longer than usual and everybody had a lot of fun. Relay races were held between the classes. Both the seniors and sophomores won a race. The bleachers were packed with students, teachers,

WOMEN OF THE MOOSE

The Mooseheart Committee business meeting was called to order by Senior Regent June Ballenger.

Recorder Judy Page read previous Chapter and Board of Officers minutes, and proceeded with the quarterly Audit report.

The Senior Regent again stressed our Membership Drive and urges all co-workers to get their applications for membership to the Recorder before our December 6 meeting.

The Chapter then heard reports from College of Regents Committee Chairman Harriet Grewe; Hospitality Chairman Elsie Toman; and Mooseheart Committee report read by Treasurer Judy Cook.

Guide Dorothy Tralewski and Assistant Guide Stephanie Polson then escorted Gerry Mark, Norma Lowe, and Dorothy Laursen in the October birthday march.

The Convention in Peoria was very successful and the Chapter heard the notes of the sessions from Recorder Judy Page, Collegian Jerri Polson, Past Regent Erna Toft, and Junior Graduate Regent Karen Bartuska. After all the laughter died down, they all decided that Judy needs a smaller car, larger parking places, or a chauffeur.

The Senior Regent announced that we will have guests at the November 1 meeting who are on a mystery bus ride. There is a possibility of a high Moose Dignitary coming, so she has requested all co-workers on the floor, and all co-workers who will pro-tem chairs to be sure to bring their formals.

Share the pot was won by Georgia Sutherland and the Attendance Drawing was lost by Frances Bushe. Our attendance drawing bank is now over \$25, so the tension is building—come and win it!

CHAPTER CALENDAR:

Oct. 27—Halloween Dance;
Oct. 28—Childrens Halloween Party from 2-4, followed by Legion Pot Luck; Oct. 29—Publicity Committee meeting at Millie Stroner's; Nov. 1—Library Chapter Night Program; Nov. 3—Annual Feather Party.

Sequoit Happenings

and parents. The only problem they had that night was a fire engine trying to leave the football field to answer the siren, wasn't able to get out.

The freshmen football team did a great job to start off Homecoming weekend. It was easy to tell how proud Mr. Hahn was when he announced that the freshmen beat the Rams 30-0. The sophomores followed suit Saturday afternoon with a 14-6 victory. By then Sequoit fans were waiting for a varsity victory, but it never came. Our varsity was defeated 27-6. Antioch was in a jam when Darrell Channell was injured early in the game and taken out.

Saturday morning the parade was a success. This year's floats were very good. The juniors had a little difficulty getting permission to use their float theme "Royal Flush". After explaining the meaning of the theme, they received permission. Even with rumors of being disqualified, the juniors took first place with their float.

This year's GAA attendants were: Karen Smith and Barb Olson, seniors; Debbie Haling, junior; and Kim Case, sophomore. The freshmen did not have a representative because they neglected to show up at the GAA meeting.

Saturday night the dance started at 8:00 p.m. There was a big turn out and everybody had a good time. The photographers

had a little trouble that night; they had to retake several pictures of the couples that had their picture taken at the beginning of the dance.

There was a very nice couple dancing together that night. One had long red hair and wore a crown, her partner also wore a crown. Congratulations to Rick Sedar and Sherri Tell, this year's Homecoming King and Queen. Their court consisted of: Kathy Toft and Floyd Davis, and Janet Kroplein and Larry Yopp - both couples were senior attendants. Darrell Channell was not able to be on court because of his football injury, so Larry stood in for him. Janis Bittner and Frank Pleviak were junior attendants. Laurie Perone and Tim Shepherd, sophomore and Candy Bailey and Tom Banwart represented the freshmen.

Student Council will present its second monthly movie this Sunday, October 28. This movie will be a collection of old films featuring such greats as Buster Keaton, the Marx Brothers and W.C. Fields. This movie is open to the public and admission is only fifty cents.

The Tom-Tom came out with its first issue Friday and it seems to be as good, if not better than when it was coming out two years ago.

Don't forget about the professional wrestling match to be held at Antioch High School, Wednesday night, October 24.

U.S. Senator Edward J. Gurney, Republican, of Florida, who will address the fund-raising Fall Dinner of the Lake County Republican Federation Nov. 9 at the Holiday Inn, Mundelein. A member of the Senate's Select Committee on Presidential Campaign Activities, Gurney was elected Senator in 1968 by the largest number of votes in the history of Florida. He previously served three terms in the U.S. House of Representatives from Florida and had been mayor of Winter Park, Florida. Gurney was born in Maine, is a lawyer and served as a tank commander with U.S. forces in World War II.

"BE A PARTICIPANT, NOT A BYSTANDER"

With "Be a participant, not a bystander" as the theme, the Lake County Republican Federation is confident of drawing a crowd of over 600 to hear U.S. Senator Edward J. Gurney (R-Fla.) at its 1973 Fall Dinner.

A fund-raiser, the dinner will be held at the Holiday Inn, Routes 45 and 83, Mundelein, on Nov. 9. A reception at 6:30 p.m. will be followed by dinner at 7:30.

Mrs. Augustin S. Hart, Jr., Federation president, said co-chairman of ticket sales are Mrs. James G. Flood, Warren Township, Mrs. Stephanie Sulthin, Shields; Terence A.

Tucker and Carmen Van Lake, Waukegan, Mrs. W. B. Park, Vernon and Robert P. Will, Jr., Benton.

Tickets also will be available through all Federation board members, presidents of Lake County Republican clubs and at the Federation headquarters, 7 N. County St., Waukegan.

Marshall R. Schroeder, Grant Township, and Mrs. Ronald Strahan, Newport, are co-chairman for arrangements. In charge of decorations are Mrs. Robinson, Mrs. Frank Borst, Fremont, and Mrs. Robert Peterson, Wauconda.

Mrs. Violet Feldmann (left) of Lake Villa, bridged the generation gap very nicely by submitting the winning theme "Wizards of Odds" for the Antioch High School Homecoming. A \$50.00 bond award was presented to Mrs. Feldmann at the Pep Rally on Friday, October 19th by Ed Roach (right) representing the State Bank of Antioch. The bond was donated by the State Bank, sponsor of the annual theme contest.

With A "Stern Eye"

While we wait for the Legislature to decide in its infinite wisdom, whether Lake County will have two or four elections in 1974, we must continue to prepare for them. If they decide on four, the petition-filing-dates for that first Primary (for County Board members) will be November 5 through 12, not exactly a light year away.

Although the Autumn and Winter stretch indefinitely ahead, we have a number of time-consuming projects. Unfortunately I have this propensity, see, to leave items that require elaborate preparation and painstaking implementation until the last possible moment. Thus we find ourselves, four months ahead of the earliest possible election (February 12th, County Board Primary), with a number of things on the agenda—each of which could well take four months all by itself.

One that sounds both exciting and creative, is the preparation of a filmstrip type program to be used in our January schools for Election Judges. Over the years the instruction of Election Judges has been a tedious and generally hit-or-miss project. And this year we shall have over 1200 to educate—plus Alternates. In the days when I was an Election Judge myself (well before the earth's crust cooled) the Schools were cut and dried. The County Clerk or the Deputy took the Instruction booklet as written by the Thornber Election Supply Company, and read it paragraph by paragraph, to an auditorium full of dozing men and women. Questions were fielded, a multiple choice test was

distributed, and in the subsequent half hour, filled out by all present.

If one didn't know the answer to a question, once could either open the Instruction book and find it, or one could raise a hand and the answer would be forthcoming from the lecturer.

The results were not stupefyingly successful. Just the same, attendance at the schools was always high—and still is. Each Judge who completes the course of instruction receives an extra \$5 every Election he (she) serves. This may account for the eager participation.

When our Administration was new, one of the things high on the list to be streamlined and gingered up was the School for Election Judges. We conferred with teachers, with Election Judges, with political people of every stripe—and we tried something new. We divided the students into smaller groups, about thirty each, and each group retired to a classroom. Five situations were presented for them to 'play' out: Opening the polls, was one; the handicapped voter was another—the electioneering candidate in the polls—and so on, right up to the closing of the polling place and the count.

The new system was fun but again the results were not sensational. Even though many of our Judges are outstanding—conscientious and knowledgeable—we still got a lot of improperly filled out forms returned to us and in many cases specific instructions were ignored altogether.

After spending a couple of days in Washington at the expense of the League of Women Voters to confer on the contents of a book on the subject of training Elections Personnel. I returned to Waukegan full of creative excitement. Our 1974 schools are going to be designed to refresh the long-time judge and indicate the areas where the law has changed since she began. At the same time we hope to make the new information so palatable to the novice that she doesn't have to wait for Election Day to get on-the-job-training.

And the film-strip will be part of the whole process. Audio-visual, that's what the County Clerk's office is becoming. Loud and clear....

MUNICIPAL LEAGUE ASKS FOR SEPARATE ELECTIONS

The Lake County Municipal League has gone on record as being in favor of municipal elections separate from those of the township.

This action was taken at the League's regularly scheduled meeting at Lorenz's Smart Country House in Antioch, Thursday, October 11.

Difficulties have arisen in the past in Lake County due to the combining of the two elections, because municipal boundaries and township boundaries overlap. The situation results in some residents voting in only township elections and some voting in both. The problem is compounded by school districts which have still different boundaries.

According to Antioch Village Clerk Marilyn Sterbenz, who led the move toward the action, Antioch is affected less by the situation than many other municipalities, since Antioch is the only municipality within its township.

Mrs. Sterbenz said that some Lake County townships contain several municipalities and in some cases more than one

county is involved in the confusion.

She said although the League has no legislative power, the resolution it made at the meeting takes on the same function as a petition. Mrs. Sterbenz said that hopefully with enough pressure the state legislature will take action to create another bill which would provide for separate elections in much the same way the bill did that Governor Dan Walker recently vetoed.

Entertainment at the meeting was provided by three members of the Antioch Rescue Squad, Dan Dugenski, Dave Heath and Rod White, who gave a talk and demonstrated the Rescue Squad's new Heart Monitoring Machine and Defibrillation Equipment.

CHRISTIAN SCIENCE CHURCH

Life is real and death is illusion, is brought out in the Lesson-Sermon entitled PRO-BATION AFTER DEATH this Sunday at Christian Science church services. In James 5 in the Bible we read "And the prayer of faith shall save the sick, and the Lord shall raise him up."

Citations from Science and Health with Key to the Scriptures by Mary Baker Eddy read "The Christian Scientist has enlisted to lessen evil, disease, and death; and he will overcome them by understanding their nothingness and the allness of God, or good. Sickness to him is no less a temptation than is sin, and he heals them both by understanding God's power over them. The Christian Scientist knows that they are errors of belief, which Truth can and will destroy."

Everyone is invited to attend services at the First Church of Christ, Scientist, BEACON HILL, Route 173 and Harden, Antioch, Illinois. They begin at 11 a.m.

CLC SINGERS & CHORUS TO PERFORM IN ANTIOCH

The College of Lake County "CLC Singers" and the "Community Chorus," under the direction of Warren G. Simpkins, will present a performance of Randall Thompson's "The Peaceable Kingdom" at 3 p.m. Sunday, November 11, in the Evangelical Free Church, Tiffany Road at Highview Drive in Antioch. The concert is free and open to the general public.

Thompson, the foremost English composer of his time, was convinced that music should be related to life and to the people it served. His text for "The Peaceable Kingdom" is derived from the book of the prophet Isaiah.

The "CLC Singers" is limited to students currently enrolled at

the college. Members are selected by recommendation and audition.

The "Community Chorus," now in its fourth season, serves singers and listeners throughout Lake County. Membership is open to interested persons through recommendation or audition. The chorus performs a variety of music—sacred and secular, and both traditional and contemporary. Rehearsals are held on evening a week.

Suzanne White, organist and choir director of the Memorial United Methodist Church, Zion, is accompanist for the chorus. Accompanists for the "CLC Singers" are Mary Ann Pleviak, Lake Villa, and Ann Marie Nova, Waukegan.

ALVERNO COLLEGE CHORUS TO PERFORM AT ABBEY

The Alverno College Chorus of Milwaukee will perform in concert here on Saturday, November 10, at 8:00 p.m. in St. Benedict's Abbey Church. The program will feature sacred works by women composers.

The 30-voice women's choral

group will be under the direction of Sr. Francis Marie. Sr. Theophane Hytrek, organist and composer, will be accompanist. Both sisters are faculty members of the college's music department.

Admission will be free.

GOSPEL RANCH SEEKS TO PREVENT ALCOHOLISM

The Gospel Ranch, 305 N. Fairfield Rd., Lake Villa, has activated a new program aimed at "getting home to the executive or blue collar worker before alcohol takes its tragic toll on them."

According to Charles W. Damitz, director of the ranch, "This program is separate from the present one we run for men that have experienced the full impact of alcohol on their lives."

The program will begin with four sessions, on consecutive

Tuesday evenings, given by James Kelleher, Alcoholism Counsellor at Grant Hospital, Chicago. Kelleher's topics will be: Oct. 23, Alcoholism the Disease; Oct. 30, How to Create Monsters; Nov. 6, Recovery of the Alcoholic; Nov. 13, Anatomy of a Relapse.

All programs begin at 8:00 p.m., are open to both male and female, and are free of charge. After each session, staff members will be available for counselling or for further details on the program.

LARRY TOMZAK NEXT SPEAKER AT LAKE REGION JESUS RALLY

Larry Tomczak, author of the book, "Clap Your Hands!", will be the speaker at the next Lake Region Jesus Rally.

Tomczak, of Washington, D.C., was a "cum laude" student and graduate of Cleveland State University where he was student-body president.

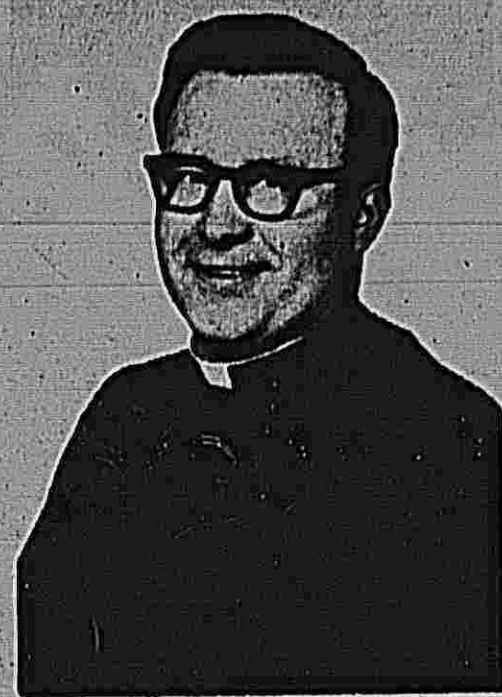

Currently in the Nation's Capital, Larry is on the leadership team of the Georgetown University Charismatic Prayer Group.

Larry may well be the nation's first full-time Roman Catholic lay evangelist. Hundreds have responded to his bed-rock-gospel sermons and invitations.

Mr. Tomczak, at age 23, broadcasts a daily "Christ To The Nation" radio program as well as travels world-wide to proclaim the Good News of Jesus Christ. Larry Tomczak today is a unique representative of the expanding "evangelical" trend which is sweeping the Catholic Church.

Along with Larry Tomczak will be an amazingly talented singing group, "The Chancellors."

There is no admission charge to the Jesus Rally. Just come as you are and expect an enjoyable evening. The rally begins at 7:30 at the Waukegan High

"Hindsight's Better Than Foresight"

by: Rev. Eugene Keusal

The government of the Village of Antioch consists of the board - the mayor and trustees. Together these elected officials plot out the future of Antioch. One person could take care of this. Why have so many people involved?

The answer to that question is very simple. Many heads are better than one. Over the centuries man has found out that the best solutions would never have been arrived at by one person. Man has found that the best solutions come from the conversation and dialog of a number of informed people.

No one person has the complete work of creation endowed within him. All creation is but a small part of the wonders of our God. When we work with each other and for each other we are able to discover the wonders of our God through the unique individuals who are as much a part of God's image as we are.

Each man is at the same time an expression of the power of God and co-creator with God in our world. In order to continue the work of creation we must be able to understand the necessity of working with each other, not forcing 'my' way on others as though 'my' way was the definitive solution.

Methodist Youth Day at Ill. Wesleyan

The 16th annual Methodist Youth Day at Illinois Wesleyan University is expected to attract about 2,000 young people and adults from United Methodist churches around the state Saturday, Nov. 3.

Methodist Youth Day provides an opportunity for the young people to become acquainted with the university and its student body. Many of the visitors will be on the campus for the first time.

The main attraction will be the football game at 1:30 p.m. in Wesleyan Stadium between Illinois Wesleyan and Elmhurst. Both teams are members of the College Conference of Illinois and Wisconsin.

Prior to the football game, the young people will be given guided tours of the campus. Lunch will be served in Fred Young Fieldhouse at 12 noon and there will be a pep rally at 1 p.m. in the stadium.

LAKE COUNTY BLIND ASSO. CELEBRATE 10th ANNIVERSARY

When the Ambassadors strike up the music for the Fall Dance at 9 p.m. October 27 at the J-M Club, 708 Greenwood Ave. in Waukegan, they will key a celebration. The Lake County Blind Association, dance sponsor, will celebrate its 10th anniversary.

With encouragement from the Waukegan Lions Club, ten blind people and a few sighted volunteers met in October 1963 and organized a group that became the Lake County Blind Association.

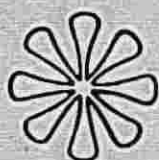

Now having 29 blind members throughout Lake County, the group operates a facility for handicraft work and cultural and recreation programs at 916 Glen Flora Ave., Waukegan.

"Our visually handicapped group works hard," said President Susan Suhrbier of Spring Grove, "to maintain a pleasant, comfortable center where we can create beautiful and useful articles for sale."

With continued support of Lions clubs, the Lake County Blind Association has formed a bowling league, conducts book discussions and arranges outings for members. Five blind persons are learning to play the harmonica under the direction of Richard Reynolds.

James K. Miller, treasurer, said visually handicapped people are invited to the center. "Maybe we can help them and they can help us." The center is open five days a week.

Financial support for the center and programs depends heavily on the dance. The Waukegan Federation of Musicians is cooperating in providing the music, which will be "lively for young and old." Tickets, which are \$1.50 per person, will be available at the door, at the center and from association members.

CUBS' PAPPAS TO BE AT LEAGUE AWARDS NIGHT

Pitcher Milt Pappas of the Chicago Cubs will be the featured speaker at the annual awards night of the Antioch Little League and Babe Ruth League. The event will begin at 7:30 p.m., on Tuesday, October 30. It will be held in the north gym of Antioch High School.

The speech and presentation of awards is open to the public. Admission will be \$1.00 for adults and 50 cent for children under 16. League members and officers will be admitted free.

The awards night is later than usual this year because of the tight finish in the National

League Western Division. The Cubs were not finally eliminated from contention until the day before the last day of the regular season, September 29. Only then could Pappas be sure of his schedule.

Trophies will be presented to the members and sponsors of the first and second place teams in each league. Mayor Robert Wilton will be on hand to present the Mayor's Trophy to the winning team of the round-robin tourney. After the presentation of trophies, Pappas will be available for autographs.

GRASS LAKE BRAVES END SEASON WITH 7-0 SHUTOUT

The Grass Lake Braves flag football team ended their season Oct. 18th with a 7-0 shutout of Emmons leaving them in a three way tie for second place. Earlier in the year the Braves defeated Lotus 33-2 and St. Peters 9-0 while losing to Milburn and Spring Grove identical 26-13 scores.

The teams regulars for most of the season were Dan Lloyd, John Lass, Scott Smith, Billy Babe, Charlie Schrieber, Kevin Walsh, Rick Motley, Steve Lloyd, Glenn Payton and Sean Mullins. Other valuable team members include 6th and 7th graders Chuck Kempf, Bob Pauletti, Kurt Kiemle, Rick Brown, Danny Vaughn, Wally Anderson, Glenn Samson, Danny Strametz, Mike Mattson, Phil Bielawski, Randy Sharp, Jim Bletsch, Ken Torkelson, and Kevin Fucela.

LAKE COUNTY RIFLES WIN CHAMPIONSHIP FOOTBALL GAME

The Lake County Rifles won the championship of the Central States Football League for 1973 with a thrilling pass catch by A.J. Owens in the last 92 seconds of the game.

The final score was Lake County 21 against 17 for the Madison Mustangs in a game played before a near capacity crowd in Carmel Field, Mundelein, Saturday.

Coach Robert Franz of the Rifles said, "I never once doubted that we would win. This team has class.

"I knew and the entire team knew they could win. We never got into a sweat. We stayed cool. "Credit for the victory has to go to the entire team," added the delighted coach.

The Rifles, however, did have some standout players. These included Tony Bertucca, left linebacker who in the final quarter six times threw Madison runners for losses; also Rick Wheeler, Kurt Kampendahl and Joe Wolfe with the latter in the second half constantly putting pressure on Madison quarterback Terry Murawski.

On offensive, A.J. Owens was

sensational as he caught 7 passes for 94 yards and 2 touchdowns.

In the first three quarters, however, the Rifles seemed to be tense.

They were missing blocking assignments, pass receivers were slipping on what should have been easy catches and the passes of quarterback Jesse Kaye often were slightly off the mark.

Madison outgained the Rifles with 307 yards against 238 yards by Lake County but the Rifles had 16 first downs 13 by Madison. Madison gained two thirds of their yardage in their opening drive of the game and in two long touchdown pass plays.

Most of the second half was played deep in Madison territory and in the final period the Rifles finally put together an exciting offense and defense that completely dominated the game.

The big surprise was that

Madison with all of the breaks was unable to score more points.

ANTIOCH CROSS COUNTRY TEAM 2nd IN CONFERENCE

On Saturday, October 20th, the conference meet was held at Woodstock. The race was a good one. Only 7 guys could run.

Four of the boys received medals. Tony Whittmore, who missed getting a medal by one place, came in 21st. The four who received medals were: Mike Harland, 6th; George Pierce, 7th; Kevin Walpole, 8th; and Tim O'Neill, 9th. Jim Grippando, 26th, and Jack Wojnowiak, 27th, ran a good race considering they were moved up from the Sophomore team.

Mike Harland and George Pierce ran the same course last year and they both lowered their times considerably. Woodstock came in first place as a team and also set a team course record. Their places were first, second, third, fifth and eleventh missing a perfect score by 7 points.

The winning time was 15:41 by Bob Wertz.

The top five teams were: Woodstock, 1st; Antioch, 2nd; Wauconda, 3rd; Grant, 4th; and Stevenson, 5th.

SEQUOITS GET FLUSHED

It is always tough to lose, even more so when it's the homecoming game and against a team that had a 1 and 5 record. The fighting Sequoits dropped their fifth game in seven starts and on paper it should not have been. However, according to Head Coach, Roy Nelson, his senior half back, Bob Bailey, hit the nail right on the head when he made the statement "Grayslake came to play and we didn't."

If things were not bad enough, the Sequoits also lost the services of their senior quarterback Darrell Channell. Early in the second quarter Channell received a severe bruise on his leg and most likely will not be available at least for the next game with Stevenson. Number 12, junior quarterback, Jeff Harceg will take over the duties.

Grayslake controlled the

game from the very outset, both on defense and offense. The Rams scored at least once during each quarter with two TD's in the fourth to give them their 27 points. Antioch finally got on the board in the 4th quarter on a pass from Harceg to Karl Blumenschein. As usual the PAT was no good and the Sequoits had those six points for the day.

According to Coach Nelson, the loss of quarterback Darrell Channell early in the second quarter seemed to bring about a let down on the team that set the tone for the rest of the game.

Coach Nelson gives the team an outside chance to take Stevenson this coming Saturday, but "we will have to start from scratch this week and rebuild. The kids must believe in themselves if they plan to win."

FRESHMEN CRUSH RAMS 30-0

Antioch's freshmen "A" team celebrated homecoming in a big way by crushing Grayslake 30-0 last Friday in Grayslake. The win upped the frosh team's record to six wins and two losses.

The Sequoits took charge of the game almost immediately. Antioch kicked off and on the third play from scrimmage the Grayslake halfback fumbled the ball and Doug Schreiber scooped it up and ran 23 yards for a touchdown. Todd Ten Eyck added the two-point PAT and Antioch led 8 to 0 with just 1:32 gone in the first quarter.

In the second quarter the Sequoits added two more scores. Ten Eyck broke through the middle and went 17 yards to pay dirt. Bruce Kecskemety added the points after Kecskemety then scored a TD himself later. The conversion attempt failed and Antioch led 22 to 0 at halftime.

The third quarter saw Antioch score its final points as quarterback Mark Stewart passed 16 yards to end Bill Wates. Ten Eyck again tacked on the two-point PAT. From there on Coach Norm Hahn experimented with additional players and all the team gained playing experience.

For their offensive play Coach Hahn cited Kecskemety (112 yards in eight carries), Ten Eyck (72 yards in 14 carries plus one pass completion for 32 yards), and the "offensive linemen. On defense, Schreiber led the way with two fumble recoveries and one TD. John Kakacek and Wally Wallrof led the tacklers. John Must also recovered a Ram fumble and Conrad Knutsen had the only pass interception for Antioch.

The next game for the frosh is a tough one as they entertain a good Stevenson team Saturday at 9:00 a.m.

SOPHS WIN 14-8

Antioch Sophomores won their third game in a row and improved their record to 4 wins and 3 losses. The contest against the Grayslake Rams on the Sequoit field was not as close as the final score.

Antioch found the Grayslake defense puzzling in the first half and did not move the ball well but the defense kept the game in hand by recovering three Grayslake fumbles and intercepting a pass. Tim Sheppard

and John Fenner picked up the loose balls and Dan Vos picked off the pass.

The second half was all Antioch as Coach Schleusner's Sequoit line dominated the Rams. The first touchdown was set up on a good punt return by Rick English. Four line plunges by Tim Sheppard yielded a first down, then a fake to Sheppard and a 26 yard pass from Jim McLellan to Dan Vos, put 6 points on the board for the

Sophs. Dick Kessler kicked the extra point.

The next series found Shepard making 24 of the 30 yards necessary to score. Kessler again kicked the conversion. Grayslake scored late in the game and tried an onside kick that was recovered by Paul Petty.

The Sophomores have two games remaining both with good records. Stevenson, next weeks opponent is 3-3-1 while Grant the last opponent of the year leads the league at 6-1.
